

Dear Brothers and Sisters,

It's harvest time; the hour has arrived! The opportunity we've been waiting for has finally knocked on our "door"! The Lord has called all of us into a sweet partnership of sending and going, praying and humbly working together. We get to make a difference, through His plan, in this world! We have the privilege of acting boldly for Jesus and reflecting His glory to the dark places around the earth.

The dark places *our* family has been called to are the remote, tribal villages in the islands of Southeast Asia – **Papua, Indonesia** specifically (not to be confused with Papua New Guinea, a separate country). God has a tender heart towards these people and has directed the Stephens family to partner with you, using helicopters, to go to the "unreachables" in the unforgiving terrain of this famously rugged island. Snow-capped mountains rise to over 16,500 feet, and are inhabited by Papuans living in hundreds of tribes, each with its own language and customs. *One-quarter of the world's languages are in this region!*

Some people send and some people go.

Both are necessary and **you can be a sender!** Will you answer the Lord's call and partner with Him to support our family in Indonesia?

Will you support us? We *know* that as a part of the body of Christ, you'll be praying and that is very encouraging!

What else we'd like you to do:

Pray and ask the Lord how He wants you to give:

- \$50/month** (i.e. would cover our yearly visas or our cooking fuel)
- \$100/month** (i.e. pays for phone and internet or 1/3 of our rent)
- \$200/month** (i.e. would pay for 1/3 of our missionary health insurance or 1/2 of our bi-monthly supply trip)
- \$500/month** (i.e. would pay tuition or almost 1/2 of our groceries)
- Any other amount the Lord leads you to give!**

Would you consider setting up a recurring monthly gift through our sending agency - **Helimission**? It is the best method for getting the most of each dollar straight to our ministry in Papua. One-time and varying gifts are also blessings!

We are excited to work with you to bring hope and freedom to a very spiritually oppressed people! Thank-you for loving Jesus and for loving us.

There is much more to come!

Love,

Michael and Fawn Stephens
